TAX-AIDE

Free tax assistance for those who need it most

Beginning in early February 2021, tax preparation assistance can be requested from the AARP Tax Aide Program through www.aarpfoundation.org/taxaide.

In order to take advantage of the limited virtual assistance, taxpayers will need to have access to email, Google Meet video and scanning capabilities with a smartphone, tablet or computer; as well as a printer. Guidance will be provided on how to use Google Meet and scan documents using a smartphone. Those who are not able to meet these requirements will be provided other options for assistance.

Please be aware that there are no plans to offer any in person tax preparation services in the Toledo area this tax season due to the COVID 19 crisis
