## **Supplies included:**

- Fabric assortment
- Wire wreath (8 inches)
- White fabric for hanger

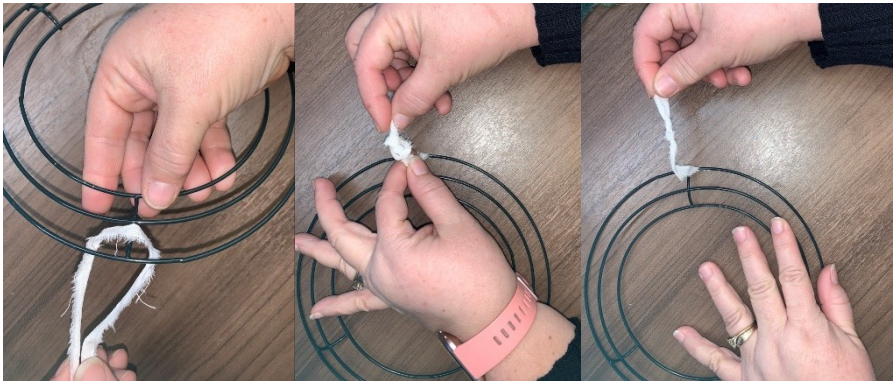

## **Additional supplies needed:**

- Ruler
- Scissors

## **Step 1**

Attach long thin piece of white fabric to wire wreath for hanger.

## **Step 2**

Notch all the fabric with scissors every inch on the side of the fabric that is NOT 6 inches.

### Step 3

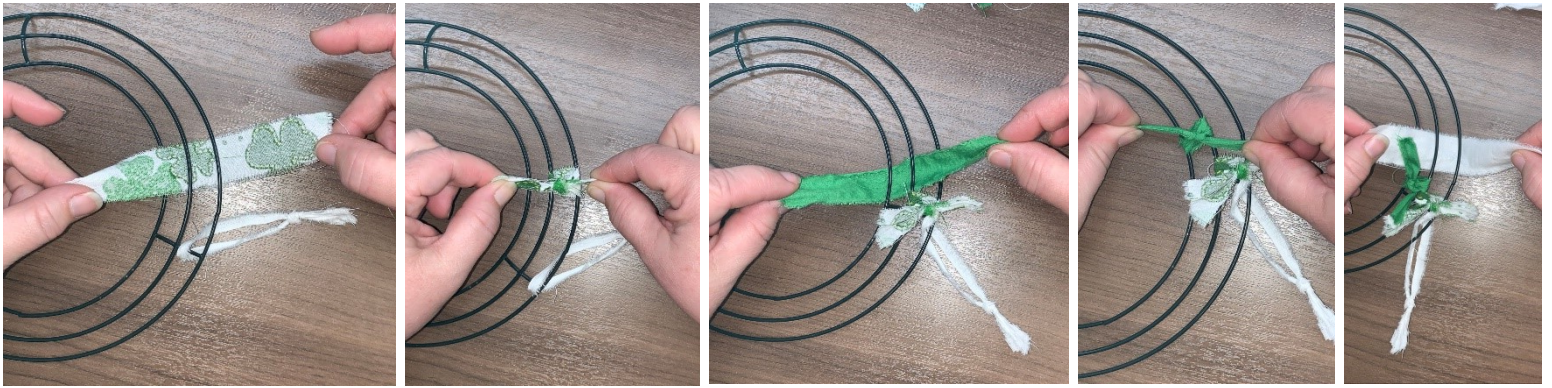

Rip the fabric at the notch. The goal is to have a pile of 6 inch by 1 inch fabric strips.

*Things could get a little stringy here!*

### Step 4

Tie the fabric strips to the wire wreath alternating between tying around the outer wire and middle wire then the inner wire and middle wire. Knot each strip around two wires.

### Step 5

Continue to tie the fabric strips to the wire wreath until it is completely covered.
