Supplies

Bookmark

Yarn (1 long piece for tassel, 2 short pieces—one to tie a loop to attach to bookmark & one to wrap around the neck of the tassel)

Markers, colored pencils, or crayons

Stickers

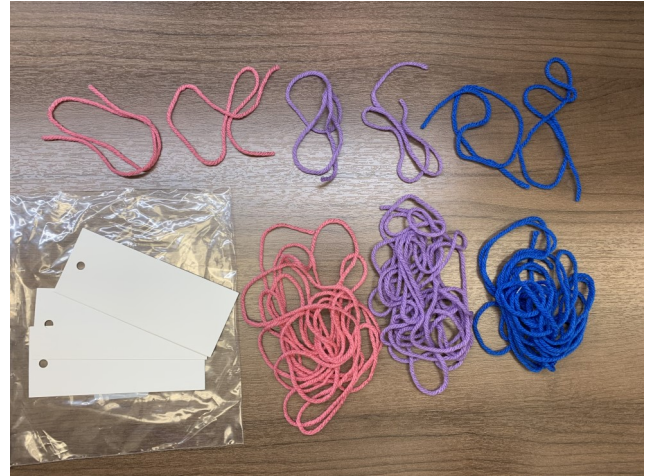

Colored paper, magazines, book pages or sheet music

Rubber stamps

Ink pads

Glue

Scissors

3 Plain bookmarks and 9 pieces of yarn are included in the take home craft kit.

Step 1

Be creative! Design your bookmarks however you want!!

Step 2

To make the tassel, wrap the long piece of yarn around four of your fingers starting with the end of the yarn at your pinky. Continue to wrap around your fingers until you reach the other end of the yarn. Slide the yarn off your fingers and set aside on table.

Step 3

Take one of the shorter pieces of yarn and make a loop with a double knot.

Step 4

Take the loose ends of your loop and tie around the top of your main tassel piece (the piece you wrapped around your fingers and set aside). Double knot these loose ends also.

Step 5

At the other end of your main tassel piece, cut the yarn so that it is no longer looped.

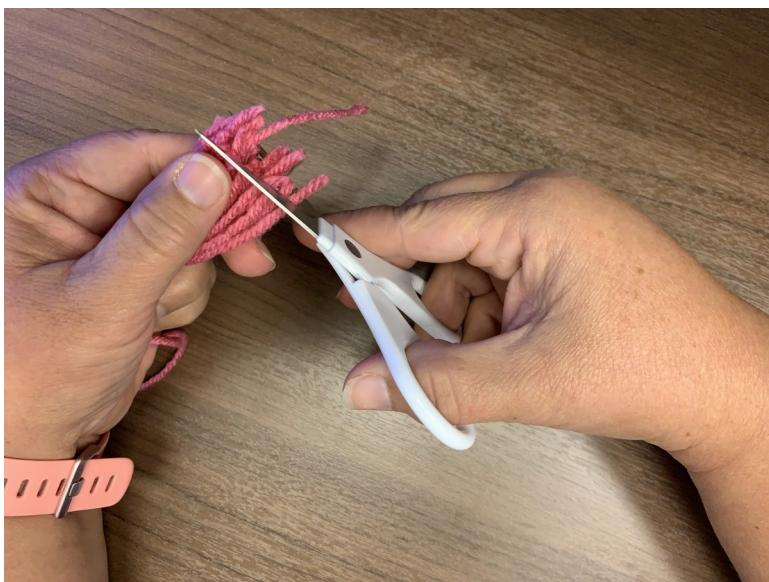

Step 6

Take the other small piece of yarn and tie it around the neck of the tassel. Wrap both loose ends around the tassel neck and tie a double knot. Trim the yarn close to the knot and tuck the knot into the yarn wrapped around the tassel neck.

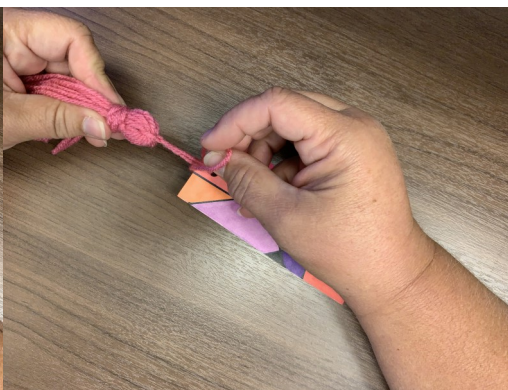

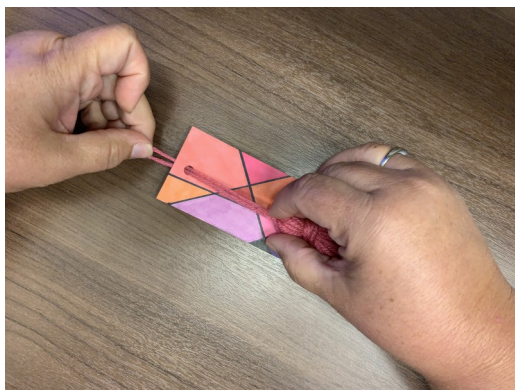

Step 7

Trim the bottom of the tassel.

Step 8

Attach to your decorated bookmark by putting the loop of the tassel through the hole in the bookmark then around the entire tassel.

Time to read a GOOD BOOK!!!
